Our Mision

To combine traditional recipes with modern techniques while offering the best quality natural food.

Our Vision

To be Turkey's most successful qualified-food brand by 2030.
(This success is based on satisfaction among employee, customer and supplier, social responsibility and principles of sustainability.)

Our Values

To be virtuous.
To achieve success as a team.
To enrich all Karya Group's employees.
To respecting beliefs and differences.
To achieve the ability of being flexible, situational and fast.
To bring the most competent employees in the field to the company.
To demonstrate a scientific approach and to use technology effectively.
Not letting well enough alone, pursuing continuous improvement and development.
To show the will and courage to take action instead of complaining.
To carry out all activities in accordance with legal and ethical rules.
To act fairly and honestly in all our dealings.
To apply the right employee strategy to the right job.
To be customer-focused in all processes.
To specialize in its field thoroughly.
To challange and overcome difficulties.
